Chae,

The 20th would work best for us. Also attending from PSNS & IMF will be our legal counsel Matthew Rajnus, Water and Environmental Planning Branch Head Justin Hubbs, Environmental Division Head Cody Matheson, and Environmental, Safety and Health Department Head Mark Johnson. Working around the ferry schedule, the best times to start the meeting for us would be 9:00 or 10:15.

We would also like to invite Mr. Kowalski, the Enforcement and Compliance Assurance Division Director and Mr. Opalski, the Water Division Director, if they are available.

We look forward to meeting with you and working together to resolve this issue.

Thank you,

Trevor, thank you for the response. I am copying Brad Roberts who is the EPA legal counsel. Brad and I will be the EPA people for this endeavor.

As we discussed, the next step would be for us (Navy/EPA) to start formal FFCA discussions. Brad and I are thinking sometime after the first week of August here in our Seattle office. Our available dates during the second and third week of August are: 12, 13, 15, 19, 20, 22. AM is preferred. If these dates do not work, please let me know. And of course, if any of these dates work, please choose one. The meeting would launch our discussions about what goes into the FFCA to bring your facility into full compliance. Thank you again Trevor.

Chae

Chae,

Attached is PSNS & IMF's response to the NOV we received from EPA Region 10 on June 4, 2019.
The original copy will sent out in the mail tomorrow.

Thank you,
